# Join the Vision

9:00 am to 12:30 pm

“Join the vision” is a time aimed at helping you understand more about what it means to be planted in a local church, and how you can practically grow and serve within Hope Church. Topics covered will also include our fundamental beliefs and the core values we hold onto as a church.

*Recommended for those new to Hope Church and those interested in church membership.*

## Joy Ngu

Joy is currently involved with Unigen ministry and serves as a keyboardist in the worship team. During the week, Joy works as a pharmacist in a hospital. Joy hopes to see every follower of Christ be planted in a local church and thrive in their God-given callings. She is passionate about worship and discipleship for the next generation.

# New Testament Survey

## Part 1B (The Book of Acts)

9:00 am to 12:30 pm

The Book of Acts seeks to provide students with a basic understanding of the Book of Acts as a continuation of the narrative in the Gospels. We will look at the structure of the book, its purpose and main message, and its unique place in the New Testament.

*Recommended for everyone wanting to learn about the Book of Acts and the New Testament.*

### Bernard Law

Bernard is currently working as a doctor while also studying part-time at a Bible college. He is married with two children, and is part of one of the Willawong Family Life Groups. Bernard has a passion for the Word of God, and helping others know and love God through knowing His Word.

# Short Term Missions

9:00 am to 12:30 pm

This course will help explain what a mission trip is and where to start once you have made the decision to go. It will cover goals and purposes of short term missions, preparation for the trip, what to expect during the trip and steps afterwards.

*Recommended for those who are leading short term missions trips and all who have a heart for missions.*

## May Burrell

May oversees our outreach and missions departments in the Expansion Division. She also assists Ps. Wilson Lim in providing administrative support in his role overseeing the Hope Oceania Churches and assists in the Willawong Service pastoral work. She is truly someone with a big heart for missions and for the Kingdom!

# Heart of Worship

9:00 am to 12:30 pm

Learn the Scriptural basis for worship and its varied forms of personal and corporate expressions. In this unit we will explore the foundations of praise and worship, defining each and then digging deeper into God's Word to find out what is at the heart of praise and worship.

*Recommended for all new believers and church members.*

## Chris Bee

Chris Bee is currently leading the Ablaze youth ministry team and worship team at Hope Church Brisbane. Chris has a deep passion for the Word of God and his heart is for the younger generation to come and experience the fullness of Christ. He is also much loved as a communicator with his ability to employ insightful (and humorous) storytelling to amplify biblical truth.
